Director's Corner

Did you know that the library is run by an elected board? On November 8, there are three candidates running for three positions. The Library Board's main responsibilities are watching over the finances of the library and hiring the Library Director. They meet once a month, on the second Monday of the month at 4:30pm in the library's Community Room. You are welcome to attend their meetings and see what is going on behind the scenes.
