#### **Director's Corner**

November is Native American History Month and Randi has done a great job of putting together some programs to enlighten our young patrons. Please stop by one or more of these to learn about the beauty of the Native American culture. There is a rich history of Native Americans in this area as well, mainly the Sauk and Chippewa tribes. If that interests you, swing by our Local History collection to see what we have on the topic. You will also find Native American History in the 970 area of our non-fiction collection. We would love to help you find what you seek. —Erin Schmändt, Library Director
