Discuss 'Ordinary Grace' With Us

Join us on Tuesday, October 20 @ 6:30pm as we discuss William Kent Krueger's 'Ordinary Grace'. Deep insight is not required (nor is actually finishing the book).
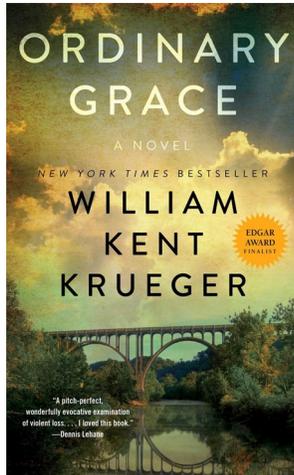

"In 1961 New Bremen, Minnesota, all is quiet and serene. The Minnesota River flows through the countryside, the town barber knows everyone's name, and folks dutifully attend church every Sunday. But that serenity is thrown into turmoil as a series of tragic deaths lead 13-year-old Frank Drum and his family on a hunt for terrible truths. But at what cost comes wisdom? In this powerful novel from the author of the *Cork O'Connor* mysteries, a boy must leave his childhood behind and confront the dark nature of the adult world and its myriad moral questions: What secrets will destroy us? How do we deal with grief? And what solace is there in the ordinary grace of the world? "

Director's Corner

If you stop by the library on a Tuesday afternoon, you may see/hear lots of school age voices. We have started an afterschool tutoring program called the Curiosity Club. Kids have a snack, get tutoring from retired teachers, and spend some hands on time with various makerspace projects. We currently have a waiting list to enroll and we have students from McComb, Schall, and the Middle School. It takes great volunteers to run a great program and we really appreciate those who are collaborating with us on this program! All part of our mission to 'Cultivate Curiosity'. —*Erin Schmändt,* Library Director
