## Director's Corner

We are very excited to announce that we are beginning the process of digitizing some of our local history resources and making them available online. We are starting with all of the Caro High School yearbooks that we have from 1922-2006 and the Tuscola County Advertiser from 1868 to 1942 (there are a few issues missing). Please take a look at this wonderful, searchable database. Go to <http://www.carolibrary.org/eshelf-research/digital-collection> to see what we have up so far!
