Director's Corner

Happy New Year! We at the library are hoping that the new year is treating you well. Please let us know if there are any resources that we can help you find to help in your new year's resolutions. If one of those resolutions is to get your taxes done earlier, we may be able to help. The IRS is sending us less forms than ever, as they are trying to get away from paper filings, but we can access and print the forms for you if you need something other than what they send us. Please stop by the front desk with the list of forms that you need and we will be happy to help.
