Composting 101:

Part of the Homegrown Foods Series

Composting is a simple way to add nutrient-rich humus which fuels plant growth and restores vitality to depleted soil. It's also free, easy to make and good for the environment. Join Beth from the Tuscola County Recycling Center as she guides us through the steps needed for regular and worm composting. Wednesday, May 25 at 6:00pm. Please call the library to register at 673-4329.

Trails & Treasures: Michigan Road Trips

Join us on **Tuesday, May 10 @ 6:30pm** to discover entertaining and educational information about the back roads of Michigan. You may want to start planning your own road trip for this summer. Join us for fun and entertainment as we learn about the Trails and Treasures of our great state from author Ron Rademacher. This is a free drop in event, bring a friend or two! Ron will also have some of his books available for purchase and signing after the program.

Book Club: Room by Emma Donoghue

Join us on **Tuesday, May 17 at 6:30pm** to discuss *Room* (available at the front desk). "To 5-year-old Jack, *Room* is the entire world. It is where he was born and grew up; it's where he lives with his Ma as they learn and read and eat and sleep and play. At night, his Ma shuts him safely in the wardrobe, where he is meant to be asleep when Old Nick visits. *Room* is home to Jack, but to Ma, it is the prison where Old Nick has held her captive for seven years. Through determination, ingenuity, and fierce motherly love, Ma has created a life for Jack. But she knows it's not enough...not for her or for him. She devises a bold escape plan, one that relies on her young son's bravery and a lot of luck. What she does not realize is just how unprepared she is for the plan to actually work. Told entirely in the language of the energetic, pragmatic 5-year-old Jack, *ROOM* is a celebration of resilience and the limitless bond between parent and child, a brilliantly executed novel about what it means to journey from one world to another."

Director's Corner

Our Seed Lending Library keeps bringing exciting new opportunities to our doorstep. Thanks to the generosity of Will's Greenhouse, we now have our own Square Foot Garden on the west side of the building. Feel free to stop out and take a look.

If you are interested in starting your own, we have four copies of the book (and access to hundreds more through Inter Library Loan). Don't forget that we also have seeds for you in the seed library!

We love to
—Erin Schmändt, Library Director
