MAKE: Nail Polish Marbled Pots

On **Monday, October 24 at 6:00pm**, Erin will teach people of all ages to create decorative pots marbled with nail polish, of all things. Register at the front desk to come, learn, create and make!

The Gordon Lightfoot Tribute

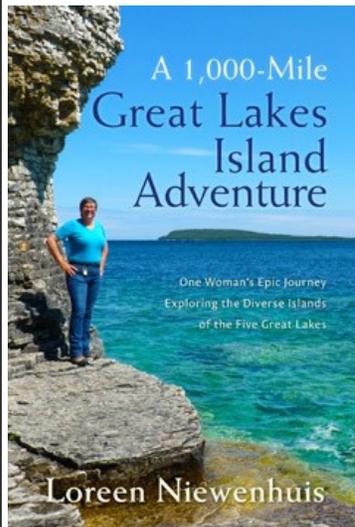

Saturday, October 8 at 2:00-4:00 pm, Mike Fornes presents a

multimedia, musical program about "Up North" culture, sentiment, and moods through the lyrics and music of Gordon Lightfoot. Be ready for a visual, acoustic trip from the Great Lakes to the Canadian Rockies. Featuring hit songs "Sundown," "If You Could Read My Mind," and "The Wreck of the Edmund Fitzgerald" and more. Bring your friends and family to this free program! You won't want to miss this!

A 1,000-mile Great Lakes Island Adventure

Author Loreen Niewenhuis has been walking the perimeter of our Great Lakes for the last several years. In 2014 she launched off of the shoreline to visit many of the islands of the Great Lakes, and released her latest book about her adventure. On **Thursday, October 27 at 6:30pm**, Laureen will take us

in words, photos, and video to islands in each of the five Great lakes. Niewenhuis speaks with the authority of an expert as she has a M.S. degree in the biological sciences. She raises important questions about preserving our wild places and protecting fragile ecosystems. Bring your friends and family and drop in for this free event! Laureen will have copies of her books for sale after the presentation.

Homemade Hand & Lip Balm Making

Fall is here already, this year be prepared for the dry weather by learning to make your own hand and lip balms. On **Tuesday, October 4 at 6:30pm**, Dolly Teeple will be showing us how to make our own balms in our favorite flavors! This is a drop in event for teens and adults.

Director's Corner

Check out a ukulele! Yes, you did read that correctly, we now offer ukuleles for checkout. Expand your musical horizons (circulates with a how-to book/DVD, tuner & pick)! Also, Snap Circuits! Snap Circuits makes learning electronics easy and fun. Just follow the colorful pictures in our manual and build exciting projects such as AM radios; burglar alarms; doorbells and much more. Suggested for ages 8 & up. —Erin Schmändt, Library Director
